

Let's Celebrate

When VE was celebrated in 1945, everyone had a street party, with food and dancing in the street.

Why not try some of these activities?

- Plan a special picnic lunch
- Make some flags and bunting to decorate your house and garden
- Design a special medal for all those brave men and women who took part in the war
- Cook some of the wartime recipes
- Build an aircraft out of junk modelling
- Make a gliding Spitfire
