

MAN ON THE MOON

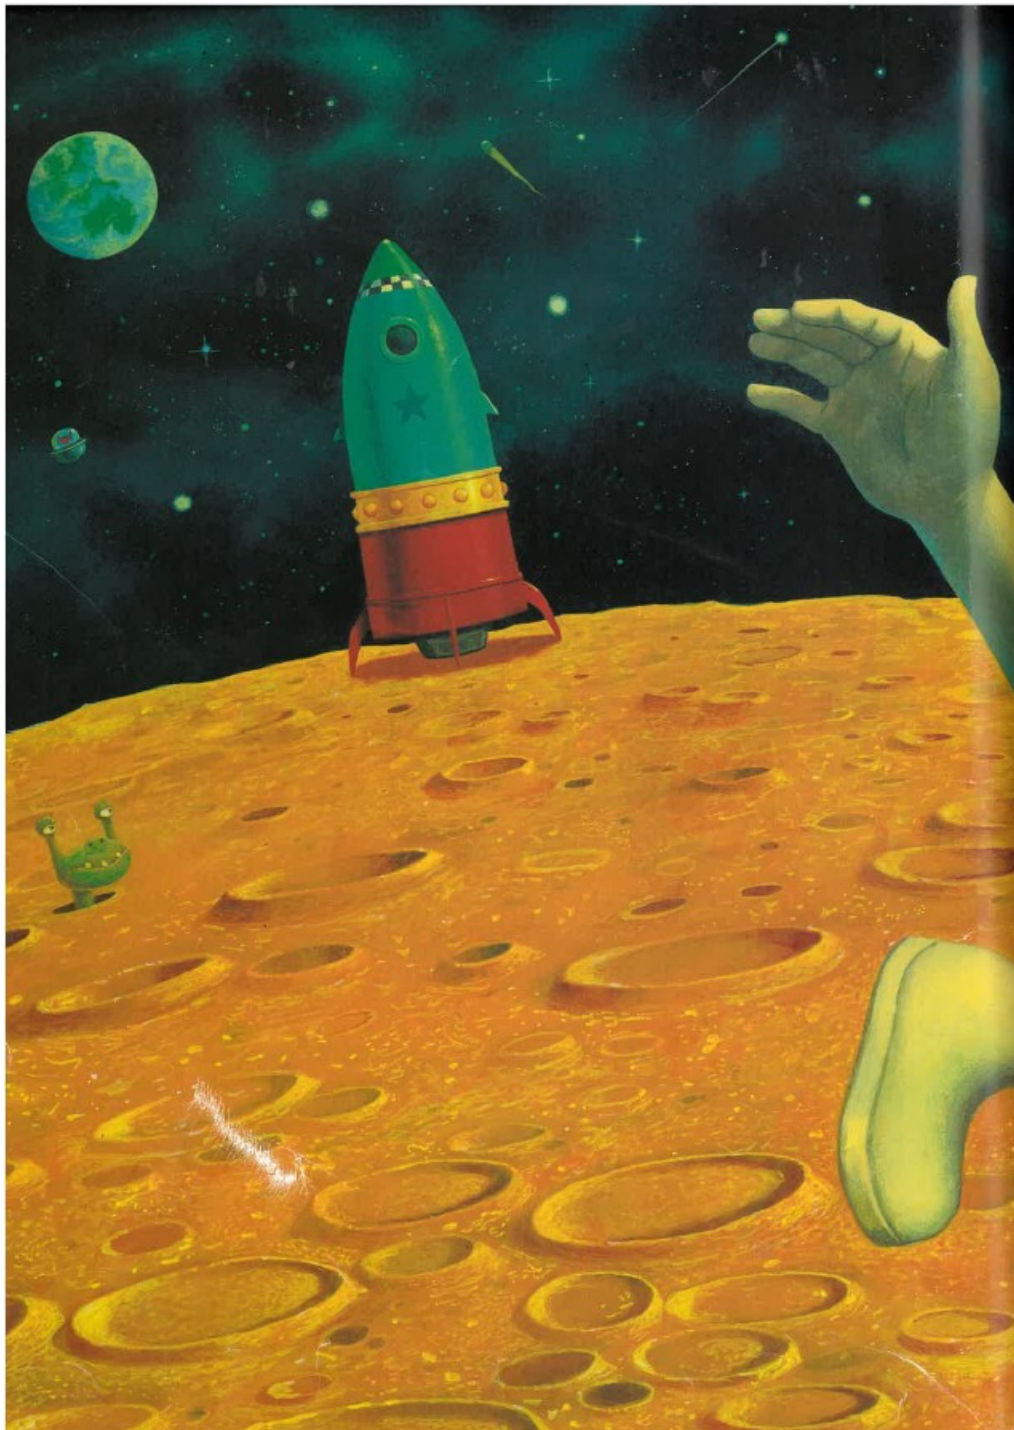

(A DAY IN THE LIFE OF BOB)

SIMON BARTRAM

This is **Bob**. Perhaps you've heard people talk of him. You may know him better as the **Man on the Moon**.

This is where Bob lives. Every morning he rises at six o'clock. He has a cup of tea and two eggs for breakfast, before leaving for the rocket launch-pad. On the way he stops to buy a newspaper and some chocolate toffees. He's on his way to work...

...on the MOON!
