## Adult Guidance

### You Will Need

- Initial Blends in the Snow Cards
- Shaving foam
- Shallow activity tray

### Instructions

Cut out and laminate the Initial Blends in the Snow Cards.

Fill a shallow tray with shaving foam 'snow'.

Lay the Initial Blends Cards around the outside of the activity tray.

The children can then choose a card and read the initial blend on it.

Can they write it in the shaving foam snow? Can they add more letters to make a word?
