1. What do you notice about the illustration on the front cover?
2. Do you like the front cover? Why? Why not?
3. What does it remind you of that you've read or seen?
4. What do you think the book may be about?
5. What questions do you have?
6. Where did you come from, pebble?
(I'm a pebble and I have come from ...)

If this book is going to explore the entire history of the Earth from its very beginning to the present day, ..

7. What do you know about how our planet was formed and evolved?
8. What would you like to know?
