

Remember: £1 and 20p and 1p can be written as £1.21

A decimal point separates the whole pounds from the pence.

IMPORTANT: you only put the pound sign, not the pence as well. (£1.21p is wrong!)

1. and 2. Write these amounts in pounds:

£

£

Write down these amounts in pounds.

3. 465p

4. 821p

5. 805p

6. 1456p

7. 3890p

8. 7065p

How many pence are there in these amounts?

9. £4.72

10. £5.01

11. £17.80

12. £8.90

13. £7.06

14. £12.12
