

In the Shoes of María

Imagine that you are Maria Sanz de Sautuola. Your Father is digging at the entrance of a cave, looking for archaeological remains, but you are bored. You take your oil lamp and you decide to go exploring. Remember that it is the year 1879 and you are wearing a dress, as was common in the 19th century. What do you see? What are you thinking? How does your dad react when you call him? Write a diary of your day as if you were Maria, which includes all the key events from this day.

Draw here your picture of the Altamira bison.
