

13/7/2021 Sports Day

The children have been running a race.

Here are their finish times.

Can you order the children from 1st to 4th place?

Now it's time for the egg and spoon race.

Teddy took longer than 3 minutes.

Ron came in first place.

Dora came in 10 seconds before Eva.

Can you match each child to their time?

2 minutes
55 seconds

2 minutes
35 seconds

3 minutes
2 seconds

3 minutes
5 seconds

Now it's time for the beanbag throw.

Jack throws 3 beanbags and scores 60 points.

Where did his beanbags land?

Is there more than one way to score 60 in 3 throws?

How many different possible scores are there if all 3 beanbags land in a bucket?
