TUESDAY 29 JUNE

NEW SPELLINGS

Star Spelling Group – tricky words - 1

-tion suffix 2

Do you know the meaning of all the words? Write definitions.

RE

LO To discuss and apply their own ideas about what is right and wrong and what is just and fair

In the story of Ibrahim and Ishmail, Ibrahim was willing to sacrifice his son to follow Allah's commands.

What does 'sacrifice' mean?

During Eid ul-Adha, Muslims give one third of the food they have to friends, keep one third for themselves to enjoy and donate one third to the poor.

How would it feel to give one third of what you have to friends and one third to those in need?

Why do you think Muslims feel they should give away two thirds of what they have at Eid ul-Adha?

Is giving to others a sacrifice?

FRENCH - Salut scheme Animals lesson 3

WEDNESDAY 30 JUNE

SCIENCE

LO To explain what happens in the process of evaporation

Read science information

Look at evaporation statements and see which one you agree with.

Explain what happens in evaporation situations

THURSDAY 1 JULY

ICT/GEOGRAPHY

LO Use maps, atlases and computer mapping to locate countries and describe features studied.

Locate and find significant world rivers.

Plot rivers on a world map.

Present your findings in a table or database (name of river, continent, country, source, mouth etc)

FRIDAY 2 JULY

GEOGRAPHY/ART

LO To learn about a famous artist and their techniques

Read information about Claude Monet.

Look at water lilies, River Thames and water that Monet painted. Identify his techniques.

Reproduce your own Monet inspired artwork.
