

Uses of rocks

Write two uses for each type of rock, then explain which properties make it suitable for that purpose. One has been done for you.

Rock	Use and property 1	Use and property 2
 chalk	Use Writing and drawing. Property Chalk is soft and can be easily eroded so it is good for writing on blackboards.	Use Property
 slate	Use Property	Use Property

Rock	Use and property 1	Use and property 2
 granite	Use Property	Use Property
 marble	Use Property	Use Property

Rock	Use and property 1	Use and property 2
 sandstone	Use Property	Use Property
 pumice	Use Property	Use Property
