

KS2 HOMEWORK – YEAR 3 FLOW DUE IN BY MONDAY 12 JULY 2021

SAFELY WITH AN ADULT visit a river, canal, stream etc (e.g. River Avon in town)

Plan and write a (newspaper) report to tell your community about the local river or stream, its features, pollution, location, wildlife and uses.

Could you use an Ordnance Survey map to find its location?

What water based creatures and plants are there?

Is there any pollution?

Why is the river important?

What features that you have learnt in school are there?

Where is the current the fastest? (check with twigs)

Add photos, images and sketches

EXTRA CREATIVE TASKS

Make a model of a boat

Create a sculpture of a river creature or plant

Write a poem or story on the river theme.
