12th September 2025

Dear Parents and Carers,

We are excited to let you know that we are introducing **ebooks** linked to our **Read Write Inc. Phonics scheme** to further support your child's reading journey at home.

These ebooks will be available online at www.oxfordowl.co.uk. Each child will receive their **own unique login details**, which will be **stuck at the front of their reading record** for easy access.

The **first ebook** will be allocated on **Friday 19th September** and will remain available for one week. Children will have read these books at least **three times in school with an adult**, so they should be reading them **fluently** at home.

In addition to the ebook, your child will also bring home a **Book Bag Book** each week. We ask that you support your child in reading **both their ebook and Book Bag Book** over the course of the week.

Please remember to **write a comment in your child's reading record** to confirm the books have been read. Without a comment, we will not be able to change the books.

Going forward, teachers will **no longer write comments in reading records**, as all children read daily with an adult in their **allocated phonics groups**. Further details about how we teach phonics and reading at Bishopton Primary School will follow in the coming weeks.

Thank you for your continued support in helping your child develop a love of reading.

Warm regards,

Mrs White and Mrs Reid
