

I am Warrior – home learning project.

Choose one of the following projects to complete and bring to school by the 23rd October 2023.

- 1. Have you got what it takes to be a Roman Soldier? Find out what was needed to be part of the Roman army and then design an advert for the job of a Roman Soldier– it could be a poster, leaflet or you could even film an advert!**

- 2. Roman houses were decorated with mosaics. Find out about mosaics and create your own: you might use paper, paint, stamping, craft materials – the choice is yours.**
