

Residential Visits

Children in years 5 and 6 have the opportunity to attend a residential visit. Held in June, these visits give children the chance to stay away from home and experience activities which they cannot do in school.

- Year 5 visit Belbroughton Outdoor Education Centre for two nights (www.boundlessoutdoors.co.uk)
- Year 6 visit Red Ridge Outdoor Education Centre for four nights (www.redridgecentre.co.uk)

Children are transported to and from the residential visits by coach and are accompanied by an appropriate number of staff members.
