

Drama Club

A weekly hour-long session is held on a weekly basis for years 4-5. During this time, we use RSC rehearsal room practice to develop and enjoy a wealth of acting techniques. The children work on either one or two Shakespeare plays which are combined with a visit to the theatre to see these shows. Children who are part of Drama Club regularly participate in the RSC's Playmaking Festival and First Encounters performances. Children from Drama Club have been scouted in the past and have attended auditions for the RSC's shows.

We also put on a yearly performance at Christmas in which the children work not only on their acting skills but also on stage management, set & prop design and costume design.
