

Time	Place	Manner	Degree
Immediately	There	Slowly	Almost unbelievably
Afterwards	In the distance	Awkwardly	Perhaps
All of a sudden	Everywhere he looked	Without a sound	Definitely confused
In the blink of a cat's eye	Everywhere he went	Frantically	Barely alive
In the swish of a tail	Above his head	Courageously	Completely exhausted
Just then	Over his shoulder	Curiously	Trembling with nerves
Already	Above the alleyway	Without thinking	Hardly out of breath
