

Afternoon task – 17.5.21

Monday	Science L.O: To investigate how sounds can be different pitches and volumes. https://www.youtube.com/watch?v=gaUBsN6K_38 See if children can identify some of the instruments and challenge them to describe what they are like (e.g. do they make high or low sounds, are they loud or soft? Explain that the term ‘pitch’ describes how high or low a sound is and ‘volume’ describes how loud or quiet a sound is. Complete the worksheet. R.E. L.O: I can explain what the Muslim holy book is and how it is used. Children make their own special book based on the ideas in the Qur’an. The book could have chapters including friendship, looking after toys, the environment, manners and basic rules.
Tuesday	Topic L.O: Environmental concerns. https://www.nationalgeographic.org/encyclopedia/great-pacific-garbage-patch/ Look at the Great Pacific Garbage Patch and read the story about a plastic bag. Create an information poster about environmental concerns and changes we can make. French Salut – My town
Wednesday iPads	PSHE – circle time. Topic L.O: To explore real time data. Select one marine animal and create a multimedia presentation with information about the species, including where it has travelled and how far, as well as geographical information, such as the sea, ocean and hemisphere that the creature inhabits. Use the Ocearch website to see real time data and track a marine animal’s journey. https://www.ocearch.org/tracker/?list
Thursday	Computing L.O: To use Scratch to programme a submarine. Programming a submarine – Scratch. Use programming language, such as ‘move’, ‘turn’, ‘repeat’ and ‘go to’, to program an on screen submarine that dives or surfaces. Use an on screen sprite or draw a submarine with drawing software to convert into a sprite. Program the submarine using simple commands to go up or down. Add visual backgrounds and bubbling, sonar or other sounds, along with other sprites, such as fish that move randomly under the water. https://scratch.mit.edu/projects/editor/?tutorial=getStarted PE – cricket 1.45 – 2.45

Afternoon task – 17.5.21

Friday	ART L.O: To design and make a sculpture out of plastic. Following on from Tuesday lesson, plan and design a sculpture to make out of plastic. What materials will you need? What message do you want your finished design to give? What is your sculpture called?
