My Recipe for the Perfect Summer

First, add in box of shiny, yellow sunshine.

Secondly, pour in a bucketful of soft, fine sand.

Then, sprinkle in a pinch of fun, happy family time.

A short time later, splash in some icy, cool water.

Next, mix in a kilogram of delicious, cold ice-cream.

After that, sift in a warm, gentle breeze.

Now, blend in a packet of kind, joyful friends.

Finally, bake for 6 amazing, enjoyable weeks!

Enjoy!
