

Online information checklist

Before using a website

	yes	no
Does the look of the website match the type of information included?	☐	☐
Do the website's sentences have accurate spelling, punctuation and grammar?	☐	☐
Have you heard of the website before?	☐	☐
Is the author named on the website?	☐	☐
Does the author include links to other websites?	☐	☐

If you have answered yes to all these questions, the website may be a good source of information to use!

After using a website

	yes	no
Do all the facts you have collected sound possible?	☐	☐
Have you used one or two well-known, trusted websites to check the facts you have collected?	☐	☐
Have you checked to make sure that all dates are correct?	☐	☐
Have you corrected any mistakes in the information you have written down?	☐	☐

If you have answered yes to these questions, it is highly likely that your information will be accurate. Well done!
