

Afternoon task – 12.7.21

Monday	Science END OF YEAR ASSESSMENT
Tuesday	TOPIC L.O: Design and label a motte and bailey castle. A Norman castle must include: 1. a moat around the outside (can be dry or filled with water) 2. a wooden palisade (fence) or stone curtain wall, just inside the moat, surrounding a bailey (a protected area in the middle) 3. a gatehouse in the wall (the only entrance to the bailey) 4. a strong stone keep in the bailey (a tall, square tower, with only one entrance) 5. wooden buildings in the bailey with thatched or tiled roofs – somewhere for people to sleep, a kitchen, a barn, a forge for a blacksmith, and stables for horses.
Wednesday	L.O: Create your own family crest. Research your last name and with the information found, create a family crest/shield that represents you. L.O: The life cycle of a plant. Read through the PowerPoint and complete the worksheet.
Thursday	L.O: Create your own Bayeux Tapestry based on your life events. The Bayeux Tapestry explores the events that led up to the Battles of Hastings and William, Duke of Normandy taking the throne. Can you think about the important events in your life and create your own piece of artwork in the style of the tapestry? Additional You can also have a go at recreating the Bayeux Tapestry using this online software. <u>https://htck.github.io/bayeux/#!/</u>
Friday	L.O: To design a flag to represent your castle. Using Purple Mash, check your 2do's. Can you design a flag for your castle? PE (2pm) Warm up Throwing and catching/batting game Rounders or Cricket
