Keep up the great work everyone!

Dear Parents,

This term has flown by and I am so proud of the children and staff for all they have achieved this term. I cannot wait to end our term with the absolute delights that Christmas concerts and performances give. It is a time, not only to celebrate, but to also give thanks. Thanks to all in our Bishopton family for the support you have shown throughout the Autumn term.

I look forward to welcoming you all either at Shottery Church or in school for our Christmas celebrations.

Wishing you all a great weekend.

Mrs Charman

Attendance matters

It is undeniable that being in school is important for your child's academic achievement, wellbeing, and wider development. There is evidence to suggest that regular school attendance is a key mechanism to support children and young people's educational, economic and social outcomes. Regular School attendance enables positive peer relationships, which is a major factor in promoting better mental health and wellbeing.

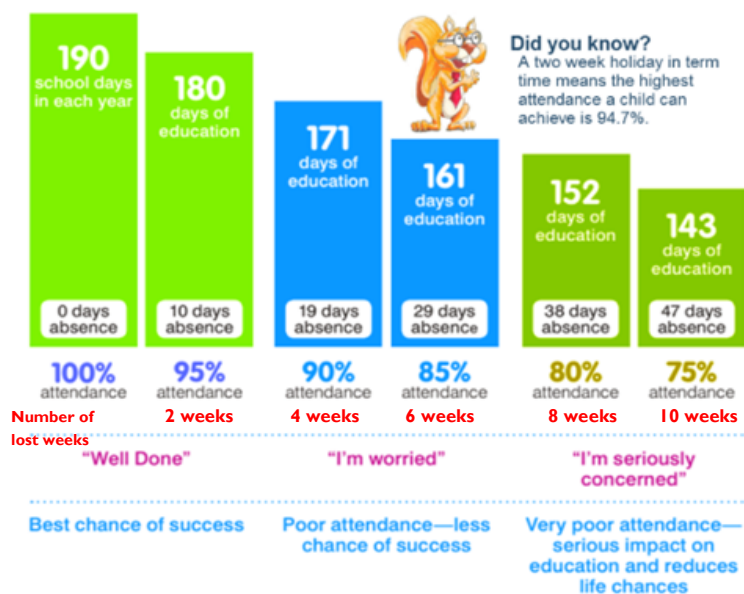

At Bishopton we will be starting a new initiative, to reward those children with excellent attendance. Each half term those children who have achieved 100% attendance will be given the reward of a day in non-uniform and an afternoon with a fun activity. Those children who manage to achieve 100% attendance for the whole year will be given a day trip out in the final week of the school. Of course, we are aware that children can be too ill to come into school which is why we will be offering the opportunity to gain the reward every half term.

The reward system will begin from this term, with children who have achieved 100% attendance rewarded on Wednesday 17th of December with a non-uniform day and afternoon treat and activity. Parents and carers whose children have achieved 100% attendance for the half term will have communication from their child's class teacher.

The startling facts about attendance and lateness!

Every Minute Counts!

Late minutes = lost learning

Every school day counts but every minute is equally important!
